New Zealand

Dear Praying Friends,

The Road

Well, January was a great month we were in California all month and had many great meetings. We enjoyed mission conferences in Monterey and Barstow that were a big blessing to us. Thank you, to all the churches that had us in to present the need in New Zealand! Praise the Lord for our newest supporting churches Bell Street Baptist, Marshall TX and Faith Baptist, Smithville, TX. 1Cor.7:22

New Zealand

In New Zealand the talk is that when PM Clark is done with her current term she may be looking to make a run for Secretary-General of the U.N. I've told you about the close ties there. In NZ; the Bible is ridiculed and then declared fiction, Christians that stand for anything are looked down on and belittled, evolution is taught as an irrefutable fact of life instead of the religion it is, people say they don't have time to talk about Christ because it scares them, many Christians stop living godly lives because it is a battle, children leave the church as soon as they are old enough because of the hypocrisy, missionaries are hard pressed to keep people growing in the Word because of the world's distractions, pastors stop seeking God's face because the people are going to do what they want anyway, the sweat in the summer, the cold in the winter, the rain in between and the sun is too hot. Wow, sounds like America doesn't it? We need to stay in the battle for the sake of eternal souls. Gal.6:9

The immigration requirements continue to change and grow more restrictive. God can do all things; therefore getting us into NZ is a small thing. We still need to obtain social security cards for some of the children before we can get them passports. We need to obtain ten passports, get 11 physical exams, 11 FBI clearances, and Dawn's credentials for teaching need to be verified yet, not necessarily in this order. We are planning to leave for the field in August of '07, that looks like a long time away but I know it will be here soon.

US

We are busy constantly trying to set more meetings and prepare for each meeting so that we may be a blessing to the churches. Gal. 5:13 We have many great churches praying about supporting us, thank you for your prayers, brethren. The Lord is so good to us in sustaining us on the road, so many of you have given to keep us rolling toward NZ. Thank you! P.s. Felicity did learn to walk in California.

Because they need Christ in New Zealand,
