Dear Prayer Partners,

*I must work the works of him that sent me, while it is day: the night cometh, when no man can work. John 9:4*

**Travelogue**

February was a little easier on us travel-wise, at least it was fewer miles than January. We still had plenty of Flora, Fauna and Churches to see as we traveled along the Gulf of Mexico to the Atlantic seaboard. We were in Louisiana, Florida and Georgia for meetings and we are so blessed to have met the saints in the way. We were able to hear, meet and learn from some of the men of old, that have stood for the faith once received. Praise God some have never looked back after being called to the work of the LORD.

**Preparing to Go**

In the area of paper work we submitted 5 passport applications this month and have 5 more to go. Mine (Ted) is still current. We will be submitting a pre-assessment form for Dawn's teaching qualifications in March to be followed by lots more paper work. Please pray that Dawn's education alone will be sufficient for permanent residence status and that she will not have to work outside the home to satisfy the NZ government's requirements. The time is always short for those that know not the Lord here and in New Zealand. Please pray for our speedy departure as the year and our preparation continues. I Tim. 2:4

**Street Work**

The ongoing ministry to the homeless in parking lots is going well. We have had many opportunities to witness in every state and tell them of the coming judgement, and how God would have none to perish. In the south they are on every corner and in every unguarded parking lot. Don't walk by these people without warning them and some times you might even buy them a meal as you talk with them.

The winner for the best street preaching location this month goes to Open Bible Baptist Church in Brunswick, GA (Pastor Sheldon Chapman). You can stand in the churchyard or on the wall around the church sign and preach to stand still traffic at rush hour, as half the town tries to pass through the intersection of three streets. What about your churchyard, has anyone proclaimed the righteousness of Jesus Christ there lately?

**Those Coming with Us**

As we are praying for more support before we head for the field at the end of the year, we are excited about and humbled by the new co-laborers that the Lord is supplying. We love to hear from churches that we've been to and that the Lord has moved to join with us for souls in New Zealand. The newest are Southside Baptist Church in Effingham, IL (Pastor Don Kennedy) and Charity Baptist Church in Colusa, CA (Pastor Justin Soto). Thank you all and we are praying that we will be worthy of your trust. I Thess. 2:8
