Dear Saints of God,

*Among whom also we all had our conversation in times past in the lusts of our flesh, fulfilling the desires of the flesh and of the mind; and were by nature the children of wrath, even as others.*

*Eph. 2:3*

When Christ quickened us by the power of His sacrifice on Calvary he also changed our conversation. We no longer are as the children of wrath following the course of this world but have the nature of the new creature. If we cease doing what comes natural then we can do His will. O that the old man were now extinguished, that Christ might have full sway in me.

### Over Hill and Dale

We have had meetings in Ohio then Tennessee then Georgia then Alabama then Mississippi then Tennessee this month. We have a new lease on everlasting life, we have been so excited by the love of God found in the saints. Near every church we were in this month was exciting and vibrant and full with the Spirit. Our newest supporting church, Ridgeview Baptist Church in Maryville, TN (Pastor Wayne Sexton) is so on fire for the things of God. We just wanted to stay for a few days or weeks. The children did a Church Bringers ministry for Ms. Rose in Swainsboro, GA while at Southside Baptist Church (Pastor Earl Warnock.) In Mississippi when our car and truck broke down at the same time Calvary Baptist Church (Pastor Larry Windham) of Grenada went above and beyond to get us back on the road again. Thanks Bro. Arkell.

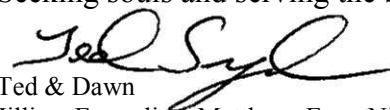

### Prayer Needed

I was contacted by a deacon of a church in Auckland, last week, that is in need of a pastor. Bible Baptist Church in Auckland is just 3 families but they have a manse, and that would be a help. When I contacted Bro. Jeff Williams he confirmed to me that the group of 8 saints in Reefton have also acknowledged their need for a pastor. Please pray for guidance for this poor preacher, to find God's perfect will, there is much need in NZ. My only desire is to work in the exact place God wants, for then the most can be accomplished for His kingdom.

### Preparations

We have 9 passports and now are waiting for only 2 more to come in. Dawn's preassessment for her teaching qualification came back a level 9. That means they liked it.
