Dear Prayer Partners,

**Ministry**

We were blessed to have several opportunities this month to bring the gospel to different groups and communities. We went door knocking in Jackson, GA with Bible Baptist Church where we turned our family into four teams to cover one neighborhood. Then in Columbus, GA we went with Antioch Baptist Church to tell our soldiers the good news, at an event called "God Bless Fort Benning Day", this was the fifth year for this appreciation day that precedes a seven year old ongoing protest by a group of liberal government haters. Praise God for every soldier serving our country, save them Lord! We were able to stop at Auburn University in Auburn, AL one afternoon to spread the glad tidings that Jesus the Son of God saves from sin and that Allah had no son.

**In the Churches**

We have been in some good churches in Alabama and Georgia and praise God for two new supporting churches; Bible Baptist Church and Gospel Light Baptist Church in Jackson, Georgia. We had a time of renewing as we joined BBC of Jackson for two days of their revival. It is good to get preached to and have our hearts straightened from whatever twisting this old world has done lately.

**Road Olympics**

Our latest event in the road olympics was the bouncing trailer wheel down the road without the trailer attached. Yes one wheel fell off the trailer as we were driving through a monsoon headed for Columbus, GA. We stopped in a nice Mexican restaurant's parking lot and I spent the next three hours finding parts and laying down in a river to replace the lug nuts that had sheared off. And we remember in all things give Praise. 1Thess.5:8

**Special Prayer Request**

I would like to make a special prayer request for someone very dear to me. Brother Dave Hance and I have preached and ministered together for several years. Dave is the one street preacher that I know that can cover the gamut of individual personalities on the street, from bums to businessmen, and never have to shift gears. Dave has been diagnosed with Lymphatic cancer and is in the hospital as I write this. He has a wife, two daughters and a son, and he is worthy for whom I ask this. Please pray for my friend and brother that God's will be done. Ps. 57:7
